L.E.H.B. Vision Care Network
Participating Providers
Member Vision Directory

This directory lists the names, addresses and telephone numbers of L.E.H.B. Vision Care Network Providers. For your convenience, this list is grouped by zip code. All L.E.H.B. Vision Care Network providers for active as well as retired members are listed. Some providers belong only to the active members' group while some belong to both the active and the retired members' groups. Still others continue to treat retired members who were patients while the member patient was in active status, but does not accept retirees who were not previous patients. Members approaching retirement age are strongly urged to ask their current vision care practitioner if he or she is also an L.E.H.B. Retiree Plan Participating Provider. If your provider does not participate in the retiree plan, please encourage him or her to join.
