L.E.H.B. Dental Care Network

Participating Providers

Member Dental Directory

This directory lists the names, addresses and telephone numbers of L.E.H.B. Dental Care Network Providers. Members may select any dental care provider; however, using an L.E.H.B. Dental Care Network provider will minimize any out of pocket expenses. If a member selects a participating L.E.H.B. Dental Care Network Provider, the member will enjoy the highest level of dental benefits at the lowest possible cost. Members using an L.E.H.B. Dental Care Network participating provider will have no office visit co-pay and no out of pocket deductible as long as you do not exceed your maximum annual dental allowance.

For your convenience, this list is grouped by zip code. All L.E.H.B. Dental Care Network providers for active/retired members are listed. Some providers only provide services to the active/retired LEHB covered members' group while some also belong to the retired non LEHB covered members' group. Some providers are willing to continue to provide services for their current patients going who no longer have LEHB coverage. Members who are retired and NO LONGER have LEHB coverage are strongly urged to ask their current dental care practitioner if he or she is also an L.E.H.B. Retiree Plan Participating Provider. If your provider does not participate in the retiree plan, please encourage him or her to join.

An explanation of Member Vision Benefits is available online at:
